Product Description

Uplift your washroom experience with the trusted and familiar Kleenex® brand, designed to deliver an unrivalled experience whilst supporting high hand hygiene standards in the workplace. With the quality and care you expect from the Kleenex® brand, this alcohol hand sanitiser kills up to 99.99% of a wide range of microorganisms. The hand gel is suitable for use in hygiene-critical areas such as healthcare and food processing environments and meets the requirements of the Biocidal Products Regulation (BPR, Regulation (EU) 528/2012). This Kleenex® hand sanitiser conforms to EN12791, EN13624, EN13727, EN14476, EN14348, EN1500. The dye and fragrance free formulation of this gel hand sanitiser is dermatologically tested and is fortified with emollients to support frequent use. The hand sanitiser refills are compatible with a range of Aquarius™ hand cleanser dispensers (product codes 6948, 6955, 7124 and 7173). The hand sanitiser gel cassettes are designed for quick and easy installation with a simple push and click. When the alcohol gel cassette is empty, it can be compressed to conserve space and is fully recyclable once the pump is removed. 6 x Alcohol Hand Sanitiser Gel, 1 Litre (6 Litres Total) Use biocides safely. Always read the label and product information before use. This product is suitable for sale in: Austria, Belgium, Czech, Denmark, France, Germany, Ireland, Luxembourg, Norway, Slovakia, Sweden, Switzerland, UK. Individual units should not be sold separately.

Product Features
