Product Description

Elevate your washroom experience with trusted and familiar Scott® Control™ washroom solutions, designed to support compliance control in the workplace. Where hygiene is the number one priority, choose Scott® Control™ alcohol hand sanitiser to minimise risk, support hygiene practices and help contamination control in your workplace. Cleanse with confidence using this Scott® Control™ foaming hand sanitiser, effective in killing up to 99.99% of a wide range of microorganisms. Conforms with EN1500, EN1276, EN13727, EN14476, EN1650, EN13624. Our hand sanitiser meets the requirements of the Biocidal Products Regulation (BPR, Regulation (EU) 528/2012). Scott® Control™ alcohol hand sanitiser is suitable for use in any environment where higher levels of hand hygiene are required. This foam hand sanitiser provides easy coverage and visible application to support high standards of washroom hygiene. This alcohol foam sanitiser contains aloe vera and skin humectant designed to support frequent use. The dye and fragrance free formulation of this sanitiser is dermatologically tested. The 1 litre hand sanitiser is compatible with Aquarius™ hand cleanser dispensers (product codes 6948, 6955 and 7124). The foam hand sanitiser refills are designed for quick and easy installation with a simple push and click. When the cassette is empty, it can be compressed to conserve space and is fully recyclable once the pump is removed. Always read the label and product information before use. Use biocides safely. 6 x Alcohol Foam Hand Sanitiser, 1 Litre (6 Litres Total) Use biocides safely. Always read the label and product information before use. This product is suitable for sale in: Austria, Belgium, Czech, Denmark, France, Germany, Ireland, Luxembourg, Norway, Slovakia, Sweden, Switzerland, UK. Individual units should not be sold separately.

Product Features

- Each refill contains one litre of clear foam hand sanitiser; Containing aloe vera and skin humectant, this alcohol hand sanitiser is dermatologically tested with a dye and fragrance free formulation
- Compatible with Aquarius™ hand cleanser dispensers (product codes 6948, 6955 and 7124). The cassettes are designed for quick and easy installation with a simple push and click. When the cassette is empty, it can be compressed to conserve space and is full
- Scott® Control™ foam sanitiser kills up to 99.99% of a wide range of microorganisms; This hand sanitiser is designed to dispense in an efficient manner to fully cover the hands while preventing excessive product use, and minimizing dangerous slip hazard
- The foaming hand sanitiser provides easy coverage and visible application; Conforms with EN1500, EN1276, EN13727, EN14476, EN1650, EN13624; Always read the label and product information before use. Use biocides safely
- These hand sanitiser refills are suitable for use in any environment where higher levels of hand hygiene are required; Does not contain thickening ingredients, therefore frequent applications will not result on a residual build up on the skin
