

WV470

Wet or Dry Vacuum

Numatic

The best-selling WV470 provides a larger alternative to the 370 series.

Although twice the capacity, we have added a folding handle design allowing easy movement when in use, whilst also allowing compact storage with user-friendly features; can be used anywhere and emptied quickly and easily.

Powerful Cleaning Results

Professional, powerful, long-life TwinFlo bypass motor.

Clean for Longer

Huge 20L wet and 27L dry capacity, less time emptying, more time cleaning.

Clean Emptying

Fitted with easy-empty handle, providing simple and clean emptying.

Ready for Wet or Dry

Professional results in either mode with accessories provided.

Ease of Transit

Ergonomic easy-carry handle, convenient folding transit handle and large rear wheels and directional castors for stability in transport.

Kit A11/85

Large Rear Wheels for Ease of Transit

Clean, Dry Floors Again and Again

Safety Net Filter and Float Assembly

Fold Down Transit Handle
